

Quark-Gluon Plasma in Heavy-Ion Collisions - Quantifying and Understanding Its Near-Perfect Fluidity 2025

Monday, 15 September 2025

Session 2 (10:30 - 12:00)

-Conveners: Defu Hou

time	[id]	title	presenter
10:30	[6]	What else can we do with isobar collisions at RHIC	XU, Zhangbu
11:00	[7]	A journey of flow over the past decades	SNELLINGS, Raimond
11:30	[8]	Determination of QGP Parameters with a Bayesian Analysis	BASS, Steffen
