

# Quark-Gluon Plasma in Heavy-Ion Collisions - Quantifying and Understanding Its Near-Perfect Fluidity 2025

Monday, 15 September 2025

Session 3 (14:00 - 15:30)

-Conveners: Mei Huang

time	[id] title	presenter
14:00	[9] Phase diagrams and random matrix theory beyond physics	AARTS, Gert
14:30	[10] Spaghetti of Quarks with Glueballs: connection between sQGP and Quarkyonic Matter	FUKUSHIMA, Kenji
15:00	[11] Baryon Electric Charge Correlation as a Magnetometer of QCD	DING, Hengtong
