

# Quark-Gluon Plasma in Heavy-Ion Collisions - Quantifying and Understanding Its Near-Perfect Fluidity 2025

Monday, 15 September 2025

Session 4 (16:00 - 17:30)

-Conveners: Guangyou Qin

time	[id]	title	presenter
16:00	[12]	Discovery of the finest droplet of QGP	ZHOU, You
16:30	[13]	Quantify collectivity via radial flow fluctuation	JIA, Jiangyong
17:00	[14]	QCD Collectivity inside a Jet: A New Window into the Ultimate Quark-Gluon Droplet	LI, Wei
