

Quark-Gluon Plasma in Heavy-Ion Collisions - Quantifying and Understanding Its Near-Perfect Fluidity 2025

Wednesday, 17 September 2025

Session 10 (10:30 - 12:00)

-Conveners: Xiao-Mei Li

time	[id]	title	presenter
10:30	[30]	Hydrodynamics and thermalization in terms of entropy production in heavy-ion collisions	LI, Yan
11:00	[31]	Benchmarking parton cascade with an exact solution of the Boltzmann equation	LIN, Zi-Wei
11:30	[32]	Physics feasibility and status of NICA-MPD	TANG, Zebo
