

The 2025 International Workshop on the High Energy Circular Electron
Positron Collider

Contribution ID: 349

Type: **not specified**

**[C02] Current testing results of sensing diode, PLL,
NMOS comparator and readout circuit of COFFEE3
pixel MAPS prototype for CEPC**

Friday, 7 November 2025 19:01 (1 minute)

Presenter: WANG, Boxin (Institute of High Energy Physics, CAS)

Session Classification: Poster
