

**The 2025 International Workshop on the High Energy Circular Electron
Positron Collider**

Contribution ID: 354

Type: **not specified**

**[C07] TCAD simulation study of Novel AC-LGAD
design with isolation Structures for sensor
performance optimization**

Friday, 7 November 2025 19:06 (1 minute)

Presenter: HUANG, Xu (南昌大学)

Session Classification: Poster
