

The 2nd International Workshop on Physics at High Baryon Density
(PHD2025, 第二届高重子密度物理国际研讨会)

Contribution ID: 7

Type: **not specified**

Probing the QCD critical point through (Net-)Proton fluctuations at RHIC

Thursday, 16 October 2025 11:40 (30 minutes)

Presenter: HUANG, Yige (Central China Normal University)

Session Classification: Status of the Field (Experiment)
