

The 2nd International Workshop on Physics at High Baryon Density
(PHD2025, 第二届高重子密度物理国际研讨会)

Contribution ID: 9

Type: **not specified**

Neutron stars vs. quark stars: how can they be distinguished ?

Thursday, 16 October 2025 14:00 (30 minutes)

Presenter: FUKUSHIMA, Kenji (The University of Tokyo)

Session Classification: Status of the Field (Theory)
