

The 2nd International Workshop on Physics at High Baryon Density
(PHD2025, 第二届高重子密度物理国际研讨会)

Contribution ID: 25

Type: **not specified**

Residual 3rd-body coulomb effect on identical charged pion correlations in Au+Au collisions at STAR

Friday, 17 October 2025 15:30 (25 minutes)

Presenter: LUONG, Vinh (Joint Institute for Nuclear Research)

Session Classification: Nuclear matter properties and strong interaction research
