

The 2nd International Workshop on Physics at High Baryon Density
(PHD2025, 第二届高重子密度物理国际研讨会)

Contribution ID: 30

Type: **not specified**

A quarkyonic matter model with strangeness

Saturday, 18 October 2025 08:40 (30 minutes)

Presenter: KOJO, TORU (Central China Normal University)

Session Classification: Dense matter and QCD phase transition research
