

The 2nd International Workshop on Physics at High Baryon Density  
(PHD2025, 第二届高重子密度物理国际研讨会)

Contribution ID: 31

Type: **not specified**

**Toward constraining QCD phase transitions in  
neutron star interiors**

*Saturday, 18 October 2025 09:10 (30 minutes)*

**Presenter:** SHI, Shuzhe (Tsinghua University)

**Session Classification:** Dense matter and QCD phase transition research
