

The 2nd International Workshop on Physics at High Baryon Density
(PHD2025, 第二届高重子密度物理国际研讨会)

Contribution ID: 34

Type: **not specified**

Overview of the chiral magnetic effect and outlook to the STAR high-statistical new data”

Saturday, 18 October 2025 11:10 (30 minutes)

Presenter: FENG, Yicheng (Purdue University)

Session Classification: Experiments in STAR
