

The 2nd International Workshop on Physics at High Baryon Density (PHD2025, 第二届高重子密度物理国际研讨会)

Friday, 17 October 2025

QCD phase structure - Conference Room at 1st floor (10:40 - 12:10)

-Conveners: Yuxin Liu

time	[id]	title	presenter
10:40	[19]	Search for the QCD critical endpoint at a low temperature from Lattice QCD	DING, Heng-Tong
11:10	[20]	QCD phase structure at very high baryon density	GAO, fei
11:40	[21]	Manifestition of scale symmetry in dense nuclear matter	MA, Yong-Liang
