Yunyun Fan
2025.3.17

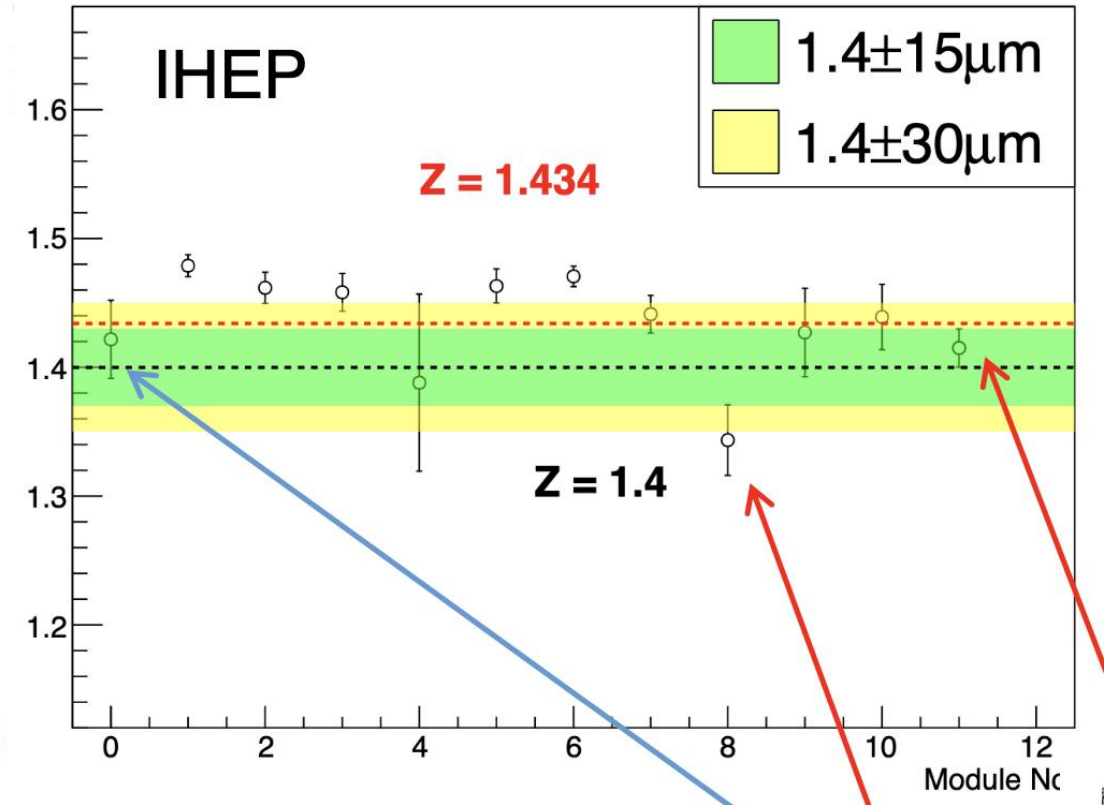

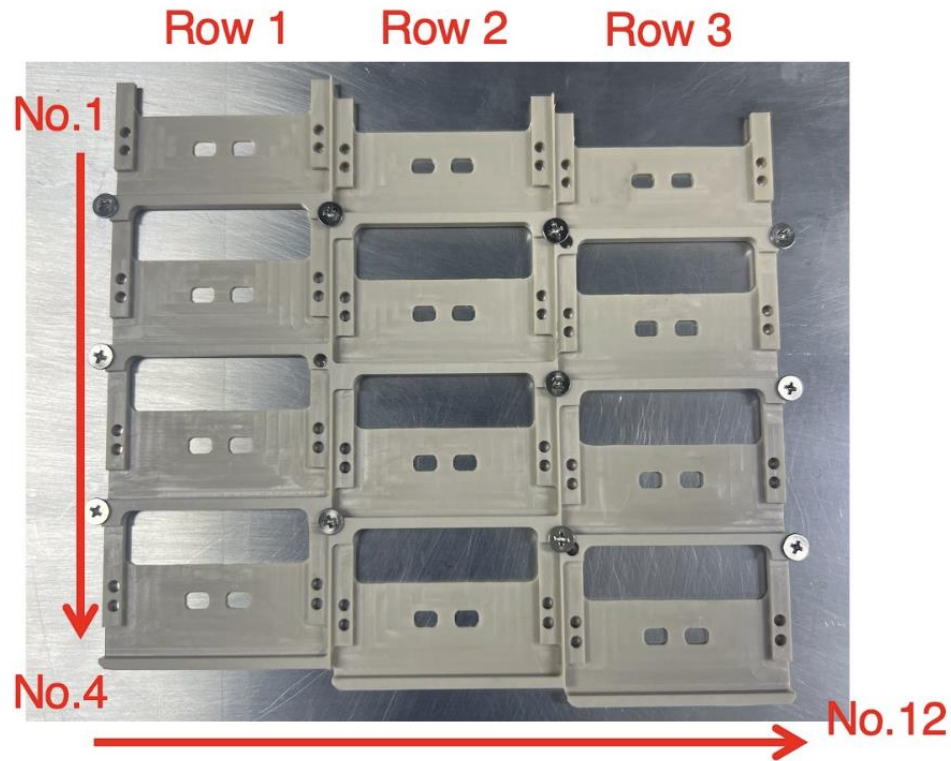

Move Gantry from 107 to 108

- Contact with the company to make sure the hardness of the floor of 108 is simimilar to 107
 - Will discuss this week
- Gantry: 500 kg
- Contact with the engineer at IHEP to help move the gantry with pallet truck

Measurement of the DU

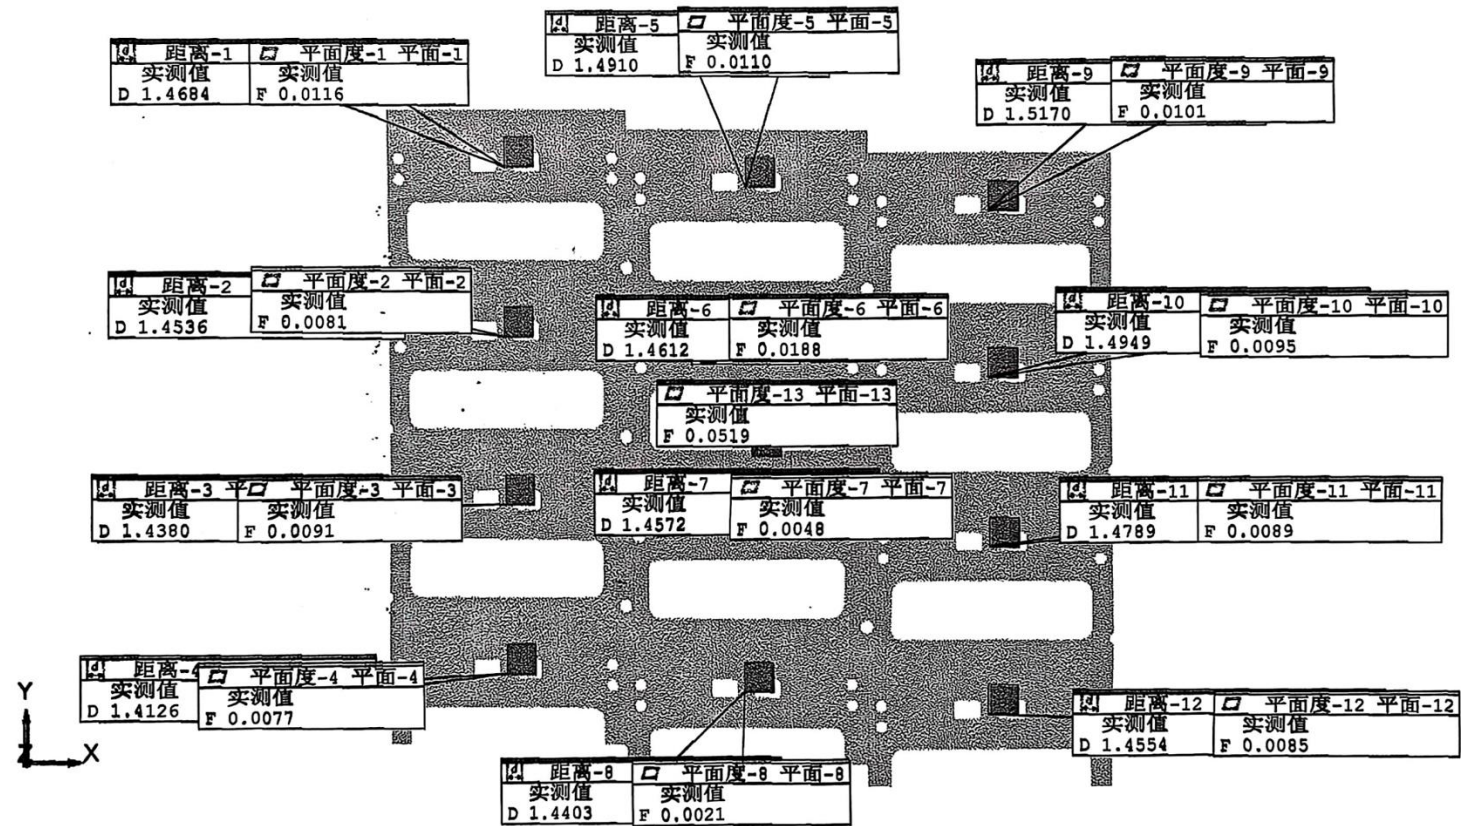

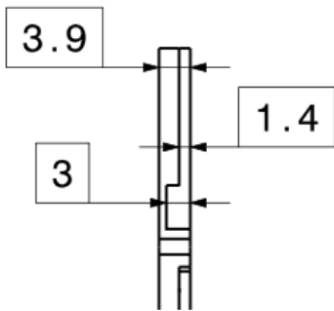

- Decide how to measure the planarity of the DU
 - ✓ Ensure the modules fits the DU and safely installed on the cooling plate

Results from the company

1.4126 – 1.5170 mm
