#### (Third circular 第三轮通知)

Dear Colleagues,

We are pleased to announce that the 2<sup>nd</sup> Sino-Thai Workshop on Nuclear and Particle Physics (STWP2025) will be organized by Central China Normal University (CCNU), Hanjiang Normal University (HJNU) and Suranaree University of Technology (SUT) on July 7 - 11, 2025 in Shiyan, Hubei, China. The workshop aims to bring together physicists from various regions to exchange their expertise and insights in nuclear and particle physics, promote collaborative research and education in the field, and leverage this opportunity to support the development of physics disciplines in the universities affiliated with the CCNU consortium under the Teacher Education Collaborative Quality Improvement Program. In addition, the workshop will also serve as a window to showcase the charm of Shiyan, allowing participants to appreciate the beautiful natural scenery and the profound cultural heritage of Wudang Mountain as a sacred Taoist site.
