

The QCD Phase Diagram: From Theory to Experimental Signatures

Thursday, 9 October 2025

Session I (08:30 - 10:30)

time	[id]	title	presenter
08:30	[21]	Emergent conformality in dense QCD matter: some lessons from a holographic QCD model	FUKUSHIMA, Kenji
09:10	[22]	Determination of High-Density Symmetry Energy in the Multi-Messenger Era	CHEN, Lie-Wen
09:50	[23]	Chiral phase transition under rotation and acceleration	HUANG, Xu-Guang
