

The QCD Phase Diagram: From Theory to Experimental Signatures

Friday, 10 October 2025

Session IV (16:00 - 18:00)

time	[id] title	presenter
16:00	[42] Distinguishing the nature of radial flow and the momentum fluctuations at the RHIC-STAR experiment	ZHANG, Chunjian
16:40	[43] Dileptons and Direct Photons in Beam Energy Scan: Recent and Future	Prof. YANG, Chi
17:20	[44] Dilepton emission as a new probe of critical end point	CAO, Gaoqing
