

Search for light Higgs bosons in diphoton channel at CMS

Friday, 31 October 2025 17:20 (20 minutes)

The latest results of search for light Higgs bosons in diphoton channel at CMS with Run2 data, are presented. The talks will cover both the low-mass results with the paper published by PLB in January 2025, and the very low-mass results which were released in March 2025.
