

The 3rd Workshop on Ultra-Peripheral Collision Physics

Saturday, 22 November 2025

UPC Session 4 (16:10 - 17:25)

-Conveners: Yuxin Liu

time	[id] title	presenter
16:10	[25] Nuclear deformation effects of vector mesons in UPC	PU, Shi
16:35	[26] Nuclear deformation in central nuclear collisions and UPC from Glauber model	KE, Weiyao
17:00	[27] Multi-task deep learning for studying nuclear structure from UPC vector meson production	ZHANG, Jingzong
