

The 3rd Workshop on Ultra-Peripheral Collision Physics

Sunday, 23 November 2025

UPC Session7 (14:00 - 15:40)

-Conveners: Mei Huang

time	[id]	title	presenter
14:00	[34]	Holographic spin alignment of vector mesons in magnetized plasma	HOU, Defu
14:25	[35]	Electromagnetic fields and quarkonia spin alignment	LIN, Shu
14:50	[36]	Meson properties under strong magnetic field	MAO, Shijun
15:15	[37]	Heavy-flavor mesons in a strong electric field	XIANG, Jiayun
