

Workshop on Gravitational Waves, Cosmology and Fundamental Physics

Friday, 31 October 2025

Session 3 (16:00 - 17:30)

-Conveners: Hongwei Yu

time	[id] title	presenter
16:00	[14] Beyond general relativity: gravitational waves in non-minimally coupled theories	MANTON, Tucker
16:30	[17] Scalar wave emission from particles radially infalling in a Schwarzschild black hole	DI RUSSO, Giorgio
17:00	[5] Vanishing nonlinear black hole Love numbers in GR	WONG, Sam
