

Workshop on Gravitational Waves, Cosmology and Fundamental Physics

Saturday, 1 November 2025

Session 5 (13:30 - 15:30)

-Conveners: 颖理 章

time	[id] title	presenter
13:30	[19] δn formalism and non-perturbative curvature perturbation during inflation.	CRUCES, Diego
14:00	[7] A tantalizing hint of cosmological parity violation in the polarized light of the cosmic microwave background	Prof. KOMATSU, Eiichiro
14:30	[12] Teleparallel gravity models with parity violations	LI, Mingzhe
15:00	[10] Gravitational waves in thermal environments	OTA, Atsuhisa
