

Workshop on Gravitational Waves, Cosmology and Fundamental Physics

Saturday, 1 November 2025

Session 6 (16:00 - 17:00)

-Conveners: Ye-Ling Zhou

time	[id]	title	presenter
16:00	[13]	High Reheating Temperature without Axion Domain Walls	王(WANG), 耀铎(Yaoduo)
16:15	[9]	Probing Light Dark Matter with Cosmic Gravitational Focusing	TAN (谭), Liang (亮)
16:30	[20]	Constraining the Primordial Black Hole Abundance with Space-Based Detectors	HONG, Wencong
16:45	[21]	Constraining reheating temperature by ACT DR6	LI, Zi-Han
