

Precise calculation for heavy gauge boson production in the LHT model

Friday, 17 May 2013 17:00 (25 minutes)

Primary author: Mr GUO, Lei (University of Science and Technology of China)

Co-author: Mr ZHANG, Ren-You (University of Science and Technology of China)

Presenter: Mr GUO, Lei (University of Science and Technology of China)

Session Classification: Track 3

Track Classification: 3. Computations in Theoretical Physics: Techniques and Methods
