Contribution ID: **101**                                                                 Type: **parallel talk**

# Feynman Loop Integral Computation on Hybrid Platforms

*Friday, 17 May 2013 16:10 (25 minutes)*

**Primary author:**   Prof. DE DONCKER, Elise (Western Michigan University)

**Co-authors:**   Dr YUASA, Fukuko (High Energy Accelerator Research Organization (KEK), Japan);  Mr ASSAF, Rida (Western Michigan University)

**Presenter:**   Prof. DE DONCKER, Elise (Western Michigan University)

**Session Classification:**   Track 3

**Track Classification:**   3. Computations in Theoretical Physics: Techniques and Methods
