# Next Frontiers in Magnetic Monopole Searches

Institute of High Energy Physics, CAS  
Beijing, China Sep 11-14 2026

Incoming high energy cosmic ray

*This workshop aims to bring together theorists and experimentalists to chart the path for the next-generation dedicated search for magnetic monopoles in cosmic rays*

## Local Organizing Committee

杜杰 (Du Jie), IHEP  
任山君 (Ren Shanjun), IHEP  
Igor Ostrovskiy, IHEP

## International Advisory Board

Vasiliki Mitsou, IFIC – CSIC / U. Valencia  
Nick Mavromatos, Natl. Tech. U. Athens and King's College London  
Oliver Gould, U. Nottingham  
Daniele Perri, Warsaw U.  
Albert DeRoeck, Imperial College London  
Andrey Alexandrov, INFN Napoli  
Rafael Alves Batista, Sorbonne/IAP  
Michele Doro, U. Padova  
张寿山 (Zhang Shoushan), IHEP
