

1. For external participants, please log in at:

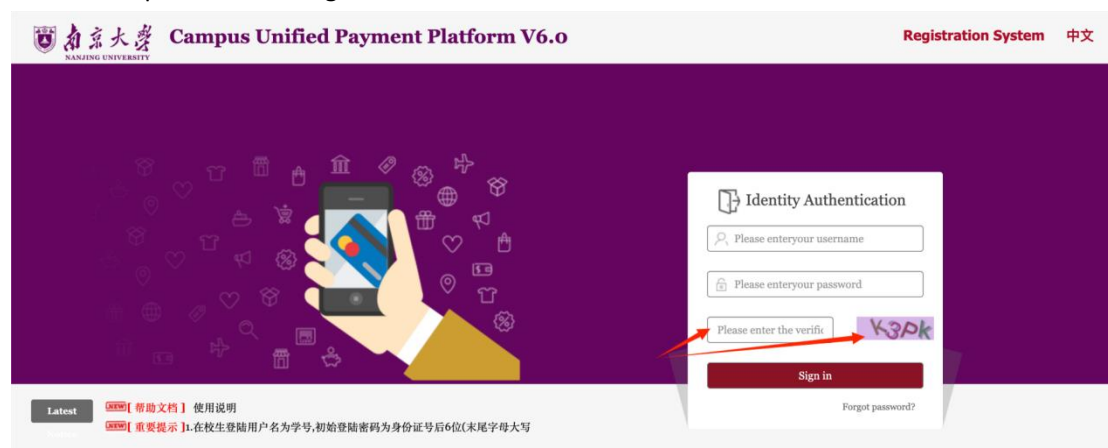

<https://njupay.nju.edu.cn/xysf/web/user/userView/login.html>

Or scan the QR code:

南京大学校园统一支付
(校外)

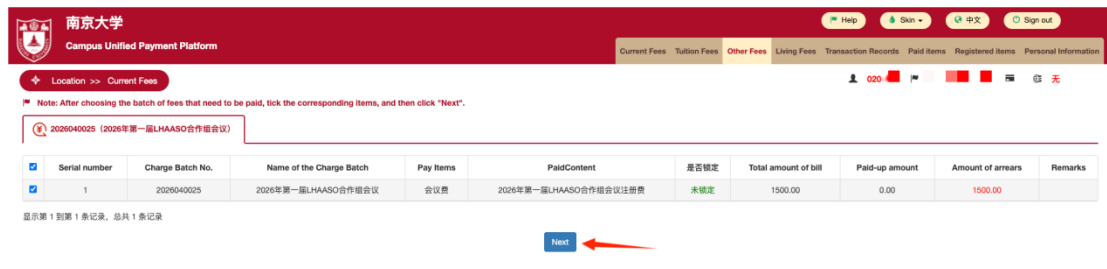

2. On the login page, the username is the **participant ID number (人员编号)** listed in the attached participant table, and the password is **XYSF@000000**. After entering the verification code in the picture, click “Sign in”:

3. Please carefully check the participant ID number and name shown in the upper-right corner. After confirming that payment amount is correct, click “Go to pay”:

4. Click "Next":

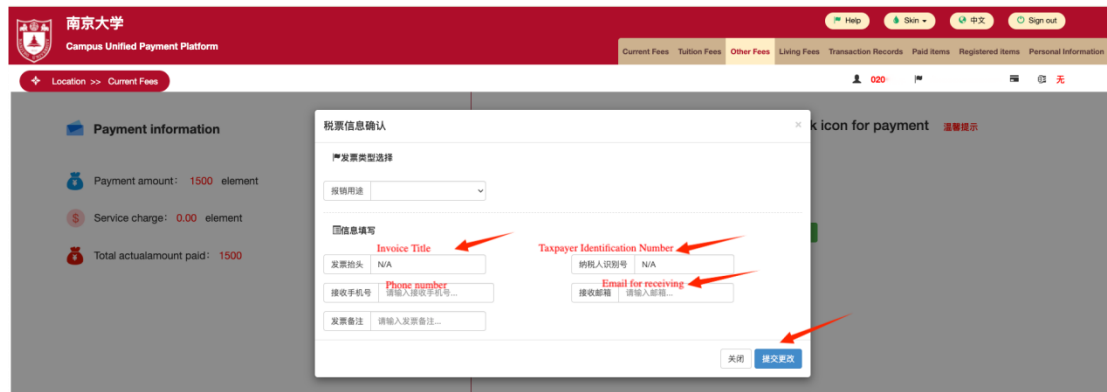

5. Click "Next":

6. According to your actual situation, select a payment method on the right side, and then click "Enter":

7. Enter/double-check the information such as Invoice Title and Taxpayer Identification Number on the page. Please make sure all information is correct, then click "提交更改" shown in the lower-right corner:

8. Complete the payment by following the instructions. The electronic invoice for the registration fee will later be sent to the email address you provided. Alternatively, you may log in to the payment system again and view or download it under “Paid items”:

The screenshot shows the 'Paid Items' section of the Nanjing University Campus Unified Payment Platform. The page title is 'Tuition fee'. There are search filters for 'Charge date', 'Charge No.', and 'Cost type' (with a dropdown menu). A blue 'Inquiry' button is present. Below the filters is a table with the following columns: 'Collection period', 'Pay Items', 'PaidContent', 'Remarks', 'Total amount of bill', 'Paid-up amount', 'Operation', '开票状态', '修改发票抬头', and '电子票'. The table is currently empty, with a message '没有找到匹配的记录' (No matching records found) displayed below it. The top navigation bar includes 'Help', 'Skin', '中文', and 'Sign out'. The main navigation bar includes 'Current Fees', 'Tuition Fees', 'Other Fees', 'Living Fees', 'Transaction Records', 'Paid Items', 'Registered Items', and 'Personal Information'. The 'Paid Items' link is highlighted with a red arrow.
