

Frontiers in high-energy nuclear physics

Wednesday, 22 July 2026

Day 3 (09:00 - 17:00)

time	[id] title	presenter
09:00	[19] Hadrons in nuclear matter	LEE, Su Houn
09:30	[20] CME perspective	WANG, Fuqiang
10:00	[21] Jet quenching and medium response	QIN, Guang-You
10:30	Coffee break	
11:00	[22] Hydrodynamics and its initial condition	SONG, Huichao
11:30	[23] Towards building non- equilibrium EFT for QCD plasma	YIN, Yi
12:00	Lunch break	
14:30	[24] Cluster production and EoS in heavy-ion collisions	BRATKOVSKAYA, Elena
15:00	[25] Heavy-Ion Collisions: A Unique Laboratory for New and Exotic Particles	ZHAO, Jiaxing
15:30	Coffee break	
16:00	[26] Heavy-flavor hadronization at LHC energies	LIM, Sanghoon
