

International Workshop on Neutrino Factories, Super Beams and Beta Beams

Friday, 23 August 2013

Plenary session #7, Chair: Juan Nieves - A214 (08:30 - 10:00)

time	[id]	title	presenter
08:30	[179]	Experimental overview on neutrino-nucleon scattering	Prof. SCHMITZ, David
09:00	[180]	Theory overview on neutrino-nucleon scattering	Prof. SOBCZYK, Jan
09:30	[181]	Effects of cross sections and nuclear effects on oscillation analyses	COLOMA, Pilar
