

55th ICFA Advanced Beam Dynamics Workshop on High Luminosity Circular e+e- Colliders — Higgs Factory (HF2014)

Thursday, 9 October 2014

Parallel Session 1: WG 1 — Parameters (16:00 - 17:30)

-Conveners: Eugene Levichev, Frank Zimmermann

time [id] title

presenter

16:00	[7] (1) Physics motivation and requirements	BLONDEL, Alain
16:30	[8] (2) Choice of circumference, minimum & maxim energy, number of collision points, and target luminosity	Dr KORATZINOS, Michael
17:00	[9] (3) Ring circumference and two rings vs one ring	Prof. TALMAN, Richard
