

2nd CFHEP Symposium on circular collider physics

Monday, 11 August 2014

Physics perspectives - Main Building A214 (10:30 - 12:00)

time	[id]	title	presenter
10:30	[5]	Overview of the physics case	Prof. HAN, Tao
11:00	[6]	Strategy for understanding Electroweak Symmetry Breaking	PESKIN, Michael
11:30	[7]	Experimental perspectives	BARR, Alan
