

第六期理论物理前沿暑期讲习 班—TeV 高能物理

Monday, July 27, 2015 - Saturday, August 8, 2015

怀柔, 北京

Book of Abstracts

Contents

Introduction to SM	1
QCD	1
Flavor physics and Neutrino	1
Effective Field theory	1
Collider physics	1

30

Introduction to SM

31

QCD

Author: Qing-Hong Cao¹

¹ *Department of Physics, Peking University*

Corresponding Author: qinghongcao@pku.edu.cn

32

Flavor physics and Neutrino

Corresponding Author: xingzz@ihep.ac.cn

33

Effective Field theory

Corresponding Author: liantaow@gmail.com

34

Collider physics

Corresponding Author: than@pitt.edu
