

Stochastic Electron Acceleration in Shell-Type Supernova Remnants

Thursday, 2 April 2009 16:05 (5 minutes)

Primary author: Prof. FAN, Zhonghui (Department of Physics, Yunnan University)

Co-author: Prof. LIU, Siming (Department of Physics and Astronomy, University of Glasgow)

Presenters: Prof. LIU, Siming (Department of Physics and Astronomy, University of Glasgow); Prof. FAN, Zhonghui (Department of Physics, Yunnan University)

Track Classification: Theme2: Supernova Remnants, GRB, Magnetars and Pulsar Wind Nebulae
