

International Symposium on Higgs Boson and Beyond Standard Model Physics

Monday, 15 August 2016

Monday afternoon (1) - The international lecture hall, 2F of the academic exchange center (13:30 - 15:00)

-Conveners: Guoming CHEN

time	[id]	title	presenter
13:30	[16]	Higgs boson production and decays with ATLAS detector	LI, Haifeng
14:00	[17]	Higgs boson production and decays with CMS detector	CHEN, Mingshui
14:30	[13]	Higgs Boson Production and Decay at Hadron Colliders	Prof. YANG, Lilin
