

# International Symposium on Higgs Boson and Beyond Standard Model Physics

Wednesday, 17 August 2016

Wednesday afternoon - session 2 (2) - The international lecture hall, 2F of the academic exchange center  
(15:40 - 16:20)

-Conveners: Ning Zhou

| time  | [id] title  | presenter     |
|-------|---|---------------|
| 15:40 | [53] Search for di-Higgs decaying to WWW with the final state of the same sign leptons plus 4 jets at LHC | ZHOU, Maosen  |
| 16:00 | [54] Probing the nature of Higgs boson from Great Collider(CEPC/SppC) to Gravitational Wave               | HUANG, Fapeng |
