

ICFA Mini-Workshop on Future gamma-gamma Collider

Sunday, 23 April 2017

Accelerator technology for $\gamma\gamma$ collider: AAC-based (16:00 - 17:30)

time	[id]	title	presenter
16:00	[23]	Review of plasma based acceleration	Dr BINGHAM, Bob
16:30	[22]	Beam driven acceleration for $\gamma\gamma$ collider (Facet)	Dr HOGAN, Mark
17:00	[24]	Key physics of plasma based acceleration and its implication to $\gamma\gamma$ collider	Dr LU, Wei
