CEPC Higgs physics meeting

IHEP Git Server

2

- ⦿ Several current CEPC physics notes are stored and organized in GitHub:
 - ⦿ <https://github.com/ijinwang/CEPCHiggsPaper>
 - ⦿ https://github.com/ijinwang/CEPC_HWW_2017
 - ⦿ https://github.com/ijinwang/CEPC_HGam_2017
 - ⦿ https://github.com/ijinwang/CEPC_HJJ2017
 - ⦿ It can be read by public if the URL is known
 - ⦿ The access rights can not be managed by the authors/editors
- ⦿ Now we can use official IHEP Git server:
 - ⦿ <http://cepcgit.ihep.ac.cn/cepcdoc/cepcphysics>
 - ⦿ Internal access only
 - ⦿ Rights can be easily managed
 - ⦿ grant the authors/editors as owners of their project and leave everything to them

- ⦿ All the 4 CEPC papers/notes are currently merged to
 - ⦿ <http://cepcgit.ihep.ac.cn/cepcdoc/cepcphysics>
 - ⦿ each paper/note in a different project
- ⦿ Please register in <http://cepcgit.ihep.ac.cn/cepcdoc/cepcphysics> and send your username to me (or Gang, Manqi, Yaquan), or you can fill your username here:
 - ⦿ <https://docs.google.com/spreadsheets/d/15HejIDXdq4ZF1tv2jJN5t-jqZmH0NQVbOiU9ayffJ7g/edit#gid=0>
 - ⦿ The access right will be granted
- ⦿ The rest would be the same as GitHub
