

**Search for heavy resonances decaying into WW in
the $e\nu\mu\nu$ final state in pp collisions at $\sqrt{s} = 13$ TeV
with the ATLAS detector**

Saturday, 23 December 2017 15:10 (20 minutes)

Presenters: ZHANG, Guangyi (University of Science and Technology of China); ZHAO (赵), Yongke (永柯)
(山东大学 & LAL)

Session Classification: Parallel
