

Cosmological Collider Phenomenology: the Standard Model and Beyond

Saturday, 23 June 2018 11:30 (15 minutes)

Presentation Type

T4. Neutrino, Astrophysics and Cosmology

Primary authors: Mr CHEN, Xingang (Institute for Theory and Computation, Harvard-Smithsonian Center for Astrophysics); Mr WANG, Yi (Department of Physics, The Hong Kong University of Science and Technology); XIANYU, Zhongzhi (Harvard University)

Presenter: XIANYU, Zhongzhi (Harvard University)

Session Classification: Parallel Session IV: Neutrino, Astroparticle Physics and Cosmology
