

Latest result of $\sin^2(2\theta_{13})$ via neutron capture on Hydrogen at Daya Bay

Wednesday, 20 June 2018 15:45 (15 minutes)

Presentation Type

T4. Neutrino, Astrophysics and Cosmology

Primary author: Mr CHAO, Li (Shandong University)

Presenter: Mr CHAO, Li (Shandong University)

Session Classification: Parallel Session IV: Neutrino, Astroparticle Physics and Cosmology
