

# The 2018 International Workshop on the High Energy Circular Electron Positron Collider

Monday, 12 November 2018

QCD and flavor physics: QCD and flavor physics (16:00 - 18:00)

-Conveners: Lars Eklund; Peter Skands; Jianchun Wang; HuaXing Zhu

| time  | [id] title  | presenter              |
|-------|---|------------------------|
| 16:00 | [76] QCD and EW corrections in light of precision measurements at CEPC-SppC | Mr SHAO, Huasheng      |
| 16:20 | [77] Energy-Energy Correlation for Higgs Decay                              | SHTABOVENKO, Vladyslav |
| 16:40 | [78] Soft drop thrust for Higgs decay                                       | GONG, Yin-Qiang        |
| 17:00 | [79] Studies of $\tau$ decays into two mesons                               | GONZÁLEZ-SOLÍS, Sergi  |
| 17:20 | [80] Lepton flavor violations @ CEPC  | Mr YU, FuSheng         |
| 17:40 | [81] Flavor opportunities of a Z factory in CEPC                            | STAMOU, Emmanuel       |
