

The 2018 International Workshop on the High Energy Circular Electron Positron Collider

Tuesday, 13 November 2018

Higgs physics - 2: Higgs physics - 2 - A415, Main building (16:30 - 19:00)

-Conveners: Yaquan FANG; Hongjian He; Nathaniel Craig

time	[id] title	presenter
16:30	[218] Higgs measurements at the LHC (25'+5')	Prof. LI, Haifeng
17:00	[118] Higgs decays to LLPs. (25'+5')	KOREN, Seth
17:30	[119] Probing top-quark couplings indirectly at circular colliders (25'+5')	ZHANG, Cen
18:00	[120] Optimizing Higgs factories by by modifying the recoil mass (25'+5')	LI, Ying-Ying
