CDR News

- We were asked by the management to provide a plan for the CDR schedule to be discussed and approved at the next Steering Group
- Preliminary proposal for discussion:
 - July 2: physics updates finished
 - July 15: text for physics and performance available
 - July 30: final internal editing finished
 - Aug 30: finish internal review
 - Sept 1-30: international review
 - Oct 30: release to public
- Not too aggressive
