

Progress of CMS HGICAL

Friday, 21 December 2018 14:30 (15 minutes)

This talk will present recent progress on the CMS Phase-2 endcap calorimeter upgrade (HGICAL) project, with a major focus on the activities and plans of the IHEP HGICAL team, including preparations of the IHEP-HGICAL module assembly centre and a test stand for HGC modules.

Type

Parallel talk

Sessions (parallel only)

Detector performance and upgrade
