CDR Schedule

- **Final CDR to be formally presented at CEPC Workshop, Nov 12-14**
 - Need to send for printing before November 5
 - Printing about 300 copies (need to check time for delivery)
- **Current draft, v3.1:**
 - Link is public from our indico page: <https://indico.ihep.ac.cn/event/8650/>
- **Review comments:**
 - Posted informal comments at <https://indico.ihep.ac.cn/event/8902/>
- **Friday, Oct. 26: FINISHED DRAFT**
 - Need all modifications to be incorporated
- **Friday, Nov. 2:**
 - Final checks done and submission to printer

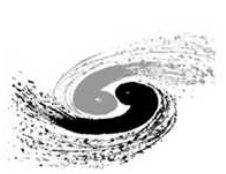

CDR Authorship and Editors List

- Information continues to be collected at:
 - <https://indico.ihep.ac.cn/event/8717/registration/register#/register>
- Please advertise at your own institution, and don't forget your own names!
- The current authorlist is at the end of the draft:
 - <https://indico.ihep.ac.cn/event/8650/contribution/25/material/0/0.pdf>
- **Check list to make sure names are accurate and everyone that should be there is there**
- Please make sure all international partners are contacted to include their names in the CDR, if they wish to do so.
 - Follow up with them if you don't hear back from them
 - Contact people you know directly
 - A mass email to a collaboration is not as effective as a personal email to people you know has been involved (CALICE, LC-TPC, ...)
- **Editors list is early in the document. Please check it NOW and provide feedback if needed**

International Review

- **Meeting dates: Sept 13-15**
- **Committee Members (present in Beijing):**
 - Mogens Dam (NBI) - FCC-ee - FCC-ee design studies
 - Sasha Glazov (DESY) -- LEP/ATLAS/BELLE Physicist -- International detector mini-review
 - Hitoshi Yamamoto (Tohoku University) -- ILC
 - Bill Murray (Warwick) - LEP/ATLAS Physicist
 - Liang Han (USTC) - ATLAS
 - Marcel Vos (Valencia) - ATLAS/ILC/FCC/silicon
 - Marcel Stanitzki (DESY) - SiD spokespersons - silicon detectors
 - Claudia Cecchi (INFN/Perugia) - Calorimetry (Belle2/CMS) - former member of LHCC
 - Maxim Perelstein (Cornell) - Theorist
 - Tao Han (Pittsburgh) - Theorist
 - Christophe Grojean - Theorist
- **Review went well**
- **Committee produced a formal report to release soon, and a set of informal input**
 - **We should include the informal comments into the CDR**

Informal review comments

- <https://indico.ihep.ac.cn/event/8902/>
- Today:
 - discuss status
 - set 1-2 hour meetings with each chapter editors for review of comments and finalization of chapters: Oct. 18-Oct. 26
