

14th International Conference on Calorimetry in High Energy Physics

Wednesday, 12 May 2010

astrophysics and neutrino calorimetry II (10:20 - 11:40)

time	[id]	title	presenter
10:20	[234]	SuperNemo calorimetry	Ms BASHARINA-FRESHVILLE, Anastasia
10:40	[235]	Liquid Xenon detectors for DM	Dr NI, Kaixuan
11:00	[236]	Digital calorimeter for dark matter search in space	Mr SUN, Xilei
11:20	[237]	Enhancement of the hadron electron discrimination in calorimeters by detection of the neutron component	SGUAZZONI, Giacomo
