

14th International Conference on Calorimetry in High Energy Physics

Wednesday, 12 May 2010

astrophysics and neutrino calorimetry I (08:30 - 10:00)

time	[id]	title	presenter
08:30	[230]	High Energy Neutrino Telescopes	Prof. HULTH, Per-01of
09:20	[232]	The Telescope Array Experiment: Status and Prospects	Dr TOKUNO, Hisao
09:40	[233]	The flourescence detector of the Pierre Auger Observatory	Mr NECESAL, Petr
