

**Workshop on Partonic and Hadronic Transport Approaches for Relativistic  
Heavy Ion Collisions**

Contribution ID: 30

Type: **not specified**

**Chiral crossover and phase transition in (2+1)-flavor  
QCD**

*Sunday, 12 May 2019 11:00 (25 minutes)*

**Presenter:** Prof. HENG-TONG, Ding (Central China Normal University)

**Session Classification:** Session-6
