

**Workshop on Partonic and Hadronic Transport Approaches for Relativistic
Heavy Ion Collisions**

Contribution ID: 36

Type: **not specified**

**Exploring anti-Li4 by momentum correlation
function of anti-p and anti-He3**

Sunday, 12 May 2019 15:45 (25 minutes)

Presenter: Mr BAOSHAN, Xi (Shanghai Institute of Applied Physics)

Session Classification: session-7
