

Workshop on Partonic and Hadronic Transport Approaches for Relativistic Heavy Ion Collisions

Saturday, 11 May 2019

Session-3 (14:30 - 16:05)

time	[id]	title	presenter
14:30	[19]	Hadronization of QGP during the first-order phase transition	Prof. ZHE, Xu
14:55	[20]	Update of a Multi-Phase Transport Model with Modern Parton Distribution Functions and Nuclear Shadowing	Mr CHAO, Zhang
15:20	[21]	Improvement for the open charm production in a multi-phase transport model	Dr LIANG, Zheng
